

Neighbourhood Planning (General) Regulations 2012 (as amended)
Regulation 18 Decision Statement

The Jewellery Quarter Neighbourhood Plan

1. Introduction

1.1 Under the Town and Country Planning Act 1990, local planning authorities have a statutory duty to assist local communities in the preparation of neighbourhood development orders or plans, including the process of a plan or order being independently examined and taken to referendum.

1.2 Following an independent Examination of the Jewellery Quarter Neighbourhood Plan

2.5 The examiner's report was received by the Council on the 13th of February 2023. The report concluded that subject to a series of modifications, the JQ Neighbourhood Plan met the basic conditions and should proceed to a referendum.

3. Decision

3.1 The Neighbourhood Planning (General) Regulations 2012 (as amended) require the local planning authority to outline what action to take in response to the recommendations of an examiner's report.

3.2 Birmingham City Council has considered each of the recommended modifications in the examiner's report and has decided to accept all the proposed modifications to the draft neighbourhood plan. Appendix 1 of this decision statement sets out the Examiner's modifications.

3.3 The JQ Neighbourhood Plan will therefore be modified in accordance with the modifications in Appendix 1, and it is the modified version of the plan that will proceed to referendum.

4. Conclusion

4.1 This decision statement confirms that Birmingham City Council consider the JQ Neighbourhood Plan 2022-2032, as modified according to the proposed modifications in the examiner's report, to comply with the basic conditions set out in paragraph 8(2) of Schedule 4B to the Town and Country Planning Act 1990, as well as legal requirements in Sections 38A and 38B of the Planning and Compulsory Purchase Act 2004 (as amended).

4.2 It is therefore recommended that the JQ Neighbourhood Plan should proceed to referendum based on the JQ Neighbourhood Area, as designated in October 2019. The examiner's report considered whether the referendum area should extend beyond the designated area and concluded that it should not.
