Statement of Evidence

recorded on the 1887 edition of the Ordnance Survey six inch map, the west half being shown as wide as a road.  
The 1/2,500 map sheet 4 15, labelled the path 'FP' with a

1 The path is first shown on the 1887 edition of the 1/2,500 map sheet 4 15.  
2 The 1917 edition of the 1/2,500 map sheet 4 15, labelled the path 'FP' with a

3 The path has a well-maintained tarmac surface with 'no cycling' and 'public footpath' signs, and a modern street light. There are also a number of

4 The path is used by a large number of people, including children, and is a popular route for walking and jogging.

5 It is considered, therefore, that it is reasonable to allege that the path exists as a public footpath and should be recorded as such on the Definitive Map.
